

## Advance Praise for *The Widow Chose Red?*

By Rachel Kerr Schneider

Rachel Kerr Schneider places before the public this sensitive, entertaining, compassionate, and yes, humorous memoir and spiritual guide, and in doing so, provides support for those encountering tragedy—words and thoughts to cope.

**Amazon Top 100 Hall of Fame Reviewer  
5-Stars**

Rachel's searing personal memoir *The Widow Chose Red?* is full of life lessons, along with a compelling journey of her husband's battle with ALS and her life beyond it. It combines faith, hope, and humor to teach that there is a way to find light amid life's darkest tunnels.

**John Kelly**

**Detroit Free Press**

Rachel is, indeed, the very definition of red: fiery, passionate, and loving. Her reflection on her husband's tragic passing and everything surrounding it is powerful and is an important message in these trying times.

**Lauren Lee**

**Writer and Editor**

Rachel's title is an incredibly personal story that does not shy away from the hard parts of her faith or her life. It is a tale of a person whose faith is tested and yet they still choose to believe in and walk that path. It is a testament to what faith can be and how faith can work and will especially resonate with religious readers. But all readers, regardless of religious orientation, will enjoy this heartfelt story about love, resilience, faith and life.

**Kathryn Picard**

**Librarian Book Connoisseur**

*The Widow Chose Red?* has blessed my family. It helped remind me that when I'm in my darkest hour God is my light and my salvation.

**Mary L.**

This story is a blessing. Rachel's experiences motivated me to clean up some of the loose ends in my own life while devoting more time to prayer.

**Yudy C.**

Loved Rachel's book! I laughed and I cried. She is a true testimony to trusting God in ALL things and how your faith can carry you through.
